1. INTRODUCTION AND WELCOME

On behalf of all the volunteers of Stichting ELE Rally I proudly welcome you, as chairman, to the 54th ELE Rally, the 3rd ELE Shortrally, the 3rd ELE Legend and the first ELE Cross Country Rally. South-eastern Brabant on 1-2 June will form a unique stage for no less than five motorsport events.

We keep innovating, we keep searching for *even* more attractive motorsport activities in the "ELE Weekend" of 1-2 June. This year will see the introduction of the ELE Cross Country Rally. A rally with the known 4x4 "DAKAR" cars. Landrovers, buggies, Bowlers can be seen in spectacular action during this event. One cannot come closer to the "DAKAR" feeling. Do not miss this opportunity, as participant, mechanic, or rally enthusiast, to participate.

The five motorsport events during the ELE Weekend of 1-2 June are the following:

1. **The 54th ELE Rally:** *The rally classic of the Netherlands, with great international character. Participants from Belgium Germany, Luxembourg and France, will compete with the Dutch. This promises entertainment. 175 stage kms. 14 special stages. Paved, loose, the rally has it all.*
2. **The 1st ELE Historic Rally:** *Beautiful rallycars from the seventies and eighties of the previous century, will compete for the honours. The excitement and adventure of before will be relived. 175 stage kms. 14 special stages. Paved, loose, the historic rally has it all.*
3. **The 3rd ELE Shortrally:** *Beautiful rural stages, partly paved and partly loose. This gives the shortrally participants on Saturday June 2 a special dimension. 50 stage kms, 4 special stage.*
4. **The 1st ELE Cross Country Rally:** *Spectacular all terrain vehicles: 4x4 "DAKAR"cars. Landrovers buggies, Bowlers, Landcruiser can be seen in action during the ELE Cross Country Rally over 175 km special stages.*
5. **The 3rd ELE Legend:** *A regularity rally with historic rallycars. Here absolute speed is not decisive, but the matching of the average speed on the stages. Breathtaking old rally cars from the sixties to the eighties of the previous century. 175 km of regularity tests, divided over 14 regularity sections.*

Also this year, the heart of the ELE is at SchippersStop, at the Habraken in Veldhoven. The ELE Rally Village. Nearly all activities are grouped here: The start- and finish podium, the scrutineering, the regroups, the parc fermé, the organization, and the press. A beautiful location, where autosports and automotive excitement are presented to the audience.

The central service area will this year be at: B&G Hekwerk, Habraken 2321 L, 5507 TK Veldhoven

To organize the ELE Rally, we are fully dependent on many governments, permit providers, sponsors, and local residents. I also wish to name the more than 700 volunteers that make the ELE Rally possible. Without them no motorsports are possible. A sincere thank you is in place!

I wish you all a lot of fun! As participant, as service crew, and as enthusiast. Enjoy the appealing special stages, the driving skills, the beautiful cars, the teamwork. Enjoy the 54th ELE Rally, the 1st ELE Historic Rally, the 1st ELE Cross Country Rally, the 3rd ELE Shortrally and the 3rd ELE Legend!

This time control will NOT be indicated in the test. The Time Control will be within 200 meters of this sign. This means the time control can also be before the sign. After every section, the organizer will inform where the GTC has been placed on the tests.

On this location, per vehicle the time of passage will be noted. The noted time will be compared with a norm time. Any second deviation of this time will result in a penalty point. When the average speed will be exceeded by more than 20 percent, the following rules apply:

- 1st offense: warning
- 2nd offense: penalty seconds
- 3rd offense: disqualification

Multiple GTC can be presented on a test:

Ik verklaar dat ik lichamelijk en geestelijk gezond alsmede bekwaam ben om aan het evenement deel te nemen. Ik ben me ervan bewust van het feit, dat deelneming aan het evenement, zowel voor de deelnemer als voor derden, alsmede voor zijn/haar goederen, en/of goederen van derden, risico's voor schade – letselschade, zaakschade en gevolgschade daaronder begrepen – inhoudt, welke risico's door de deelnemer worden aanvaard.

De KNAF, haar sectiebesturen, haar organisatoren en haar medewerkers, promotors, medewerkers circuits, bestuursleden en officials aanvaarden geen enkele aansprakelijkheid voor enige schade die de deelnemer in verband met deelneming aan trainingen, verkenningen en/of races lijdt, tenzij die schade is te wijten aan opzet of grove schuld zijdens de KNAF. De deelnemer verklaart dat hij/zij de KNAF, noch de hierboven genoemde personen of instanties aansprakelijk zal stellen of houden voor enige door hem/haar in verband met deelneming aan het evenement geleden schade, materieel of immaterieel, letselschade daaronder begrepen.
